Queensland
Government

Department of
Agriculture, Fisheries
and Forestry

25 September 2012

Dear Sir/Madam

WormBuster

The WormBuster Laboratory and specialist advisory services will close on 29 March 2013 as part of the Queensland Government's budget reduction process.

Until then, any worm test kits returned to the laboratory will be processed as usual until 22 March 2013 with completion of testing by 29 March 2013. After that date the Reply Paid and Locked Bag at Australia Post South Brisbane Business Centre will be closed. Any kits received at Australia Post after the closure date will be 'return to sender'.

Alternatively, producers can take advantage of the reimbursement scheme being offered. Pre-paid kits can be returned to the local Department of Agriculture, Fisheries and Forestry office for a refund. This offer will also close on 29 March 2013.

Yours sincerely

Peter Johnston
